INTRODUCTION

Avesis is contracted with Amerigroup Georgia to provide vision services to people with Medicaid. This is called Georgia Families and Georgia Families 360 program that delivers healthcare services to members of Medicaid and Peach Care for Kids. You are enrolled in our Vision plan. This means we will offer you Medicaid Vision services. We work with a group of Vision providers to help meet your Vision needs.

Avesis will assist you in finding a vision provider for all vision services available to you. The provider directory can advise you which vision provider to go to when you need special vision care. You can also pick a vision provider located close to where you live and who speaks the same language as you. For the most up to date listing, you can also find a vision provider online at https://avesissymplr.veriben.net/?healthPlanCompany=AmerigroupGA.

Active providers may not participate in all plans, when making your appointments please be sure your provider offers all services you may need. For free interpreter, linguistic and cultural services and help available 24 hours a day, 7 days a week, or to get this provider directory in a different language, **1-800-600-4441** (TTY Dial 711). The call is free.

In accordance with s. 1932(b)(3) of the Social Security Act, providers may choose not to perform certain services based on religious or moral beliefs. In those cases, you must call the Georgia's Enrollment Broker at **1-888-423-6765** (TDD 10866-467-4970). The Enrollment Broker will help you find a provider for these services.

You can ask us any questions or get help making appointments. If you need to speak with us, just call us at **1-800-600-4441** (TTY: 711). We're here Monday through Friday, from 7:00 a.m. to 8:00 p.m.
