INTRODUCTION

Avēsis is contracted with TrueCare to provide dental services to people with Medicaid. This is called the Avēsis Mississippi Dental Network. You are enrolled in our dental plan. This means we will offer you Medicaid dental services. We work with a group of dental providers to help meet your dental needs.

This provider directory will assist you in finding all dental services available to you. The provider directory will tell you which provider to go to when you need special dental care. You can also pick a dentist located close to where you live and who speaks the same language as you. For the most up to date listing, you can also find a dentist online at <https://avesissimplr.veriben.net/?healthPlanCompany=TrueCare>.

Active providers may not participate in all plans, when making your appointments please be sure your provider offers all services you may need. For free interpreter, linguistic and cultural services and help available 24 hours a day, 7 days a week, or to get this provider directory in a different language, call 1-833-282-2418 (TTY Dial 711). The call is free.

In accordance with s. 1932(b)(3) of the Social Security Act, providers may choose not to perform certain services based on religious or moral beliefs. In those cases, you must call the Mississippi Division of Medicaid at 1-800-421-2408 (TDD 1-228-206-6062). The Enrollment Broker will help you find a provider for these services.

You can ask us any questions or get help making appointments. If you need to speak with us, just call us at 1-833-282-2418 (TTY: 711). We're here Monday through Friday, from 7:00 a.m. to 8:00 p.m. CST.
