INTRODUCTION

Avēsis is contracted with WellPoint DC to provide dental and vision services to individuals with Medicaid. This is called DC Healthy Families. You are enrolled in our Dental plan. This means we will offer you Medicaid Dental services. We work with a group of dental providers to help meet your dental needs.

The provider directory will assist you in finding a dentist for all covered dental services and a vision provider for all covered vision services available to you. The provider directory will tell you which dentist or vision provider to go to when you need special dental or vision care. You can also pick a dentist or a vision provider located close to where you live and who speaks the same language as you. For the most up to date listing, you can also find a dentist or a vision provider online at <https://avesissymplr.veriben.net/?healthPlanCompany=AmerigroupDC>

Active providers may not participate in all plans. When making your appointments, please be sure your provider offers all the services you may need.

For free interpreter, linguistic and cultural services and help available 24 hours a day, 7 days a week, or to get this provider directory in a different language, call **833-554-1012** (TTY Dial 711). The call is free.

In accordance with s. 1932(b)(3) of the Social Security Act, providers may choose not to perform certain services based on religious or moral beliefs. In those cases, you must call the District of Columbia **DC Healthy Families** Enrollment Broker **1-800-620-7802**. (TDD 10866-467-4970). The Enrollment Broker will help you find a provider for these services.

You can ask us any questions or get help making appointments. If you need to speak with us, just call us at **833-554-1012**. We're here Monday through Friday, from 7:00 a.m. to 8:00 p.m. EST.
